

Presents:

GPS 3-D Fun Shoot

August 13th & 14th 2011

Where:

Northern Hills Archers Range

8 miles south of Deadwood on Highway 385.

Just south of Tomahawk Country Club.

Entry Fee \$10.00 per day.

Sign up starting at 9:00 am

GPS coordinates will be provided for the first shooting pin. Shooters will have to navigate to the shooting pin using a GPS. The next shooting pin coordinates will be displayed at the target and shooters will have to navigate to the next shooting pin using their GPS and the coordinates provided at the previous target. A minimum of 1 GPS will be required for each group. Basic GPS skills will be needed to input coordinates and use the **GoTo** function in the GPS to navigate the course. You must bring your own GPS as they will not be provided.

(All coordinates will be provided in Lat/Long WGS 84 coordinate system.)
